## WELCOME to Erb Thai

Our name is part of our philosophy; to offer Thai food that is prepared with a variety of (h)erbs and spices to bring out the essential, natural flavors. In doing so we try to achieve a balance of flavors. Not too **strong**, not too **weak**. The middle way, because one should complement the other. Like harmony & melody.

Our food is rooted in traditional Thai cuisine, but also made to accommodate health conscious and special diets such as **vegetarian, gluten free; no MSG, fish oil, or shrimp paste**; or other options. *Just ask your server!*
