

WELCOME TO Erb Thai

Our name is part of our philosophy; to offer Thai food that is prepared with a variety of (h)erbs and spices to bring out the essential, natural flavors.

In doing so we try to achieve a balance of flavors. Not too strong, not too weak. The middle way, because one should complement the other.

Like harmony and melody. Our food is rooted in traditional Thai cuisine, but also made to accommodate health conscious and special diets such as vegetarian, gluten free, no msg, fish oil, or shrimp paste and other options.
